ABOUT ME

Creative and detail-oriented web designer with a passion for crafting visually stunning and user-friendly websites. With 1 year and 10 months of experience, I am proficient in front-end development (HTML, CSS) and dedicated to delivering results-driven solutions. Experienced in collaborating with clients and stakeholders to achieve

JOB EXPERIENCE

WEB DESIGNER

2022 -Present

The Web Decor

As a dynamic web designer, proficient in Photoshop for crafting design templates and adept at coding with HTML, CSS and Bootstrap. I specialized in enhancing existing websites, building on WordPress and Shopify platforms, and creating intricate solutions for both front-end and back-end development. My role included presenting website layouts to clients and providing technical support, showcasing my ability to seamlessly integrate design and functionality in web projects.
